Systemic report "Combatting raidership: current state and recommendations"	To develop and approve the Methodological Guidelines for Prosecutors in accordance with clause 9 of part 1 of Article 9 of the Law of Ukraine "On Prosecution", in order to ensure more uniform application of legislative acts of Ukraine when conducting the prosecutorial activities in the procedural management over the investigation of "raidership" crimes. Given that, in accordance with the applicable Criminal Procedural Code of Ukraine, the prosecutors, in the exercise of the procedural management, are empowered with procedural management over the progress of the pre-trial investigation, the Council believes that such Methodological Guidelines should help the prosecutors effectively coordinate the work of investigators in the investigation of intricate "raidership" schemes. Prosecutor General's Office of Ukraine	<b>In process</b> — comments: As reported by the Deputy Prosecutor's General some time ago at the Meeting Of the Inter-Governmental Working Group aimed at Combatting Raidership, chaired by First Deputy Prime Minister of Ukraine.
Systemic report "Abuse of powers by the law enforcement authorities in their relations with business"	To develop methodological recommendations and explanations for the persons lodging applications or notices about committed criminal offence. Among other things, such guidelines shall emphasize on the need to comprehensively and accurately describe circumstances of the committed criminal offence as well as give proper legal qualification of the committed crime (i.e., refer to the particular corpus delicti in the CCU and specify place, time, persons and other factual circumstances related to a particular crime).
