Systemic report "How business can seek execution of court decisions in Ukraine"	<p>To amend internal regulations and to take appropriate organizational steps in order to indicate a responsible department with functions of:</p> <ul style="list-style-type: none"><li>(1) monitoring court decisions to be executed,</li><li>(2) monitoring the process of such decisions execution and</li><li>(3) preparation of regular public reports on the implementation, as well as on problematic issues creating obstacles to proper court decisions execution.</li></ul> <p>State Tax Service of Ukraine State Customs Service</p> <p>To adjust the administrative practice, when applying certain legislation, with regard to the case-law on similar issues. This should provide not only for formal monitoring, but also for a real change in the law application practice of a state body. In particular, to amend the regulations related to the administrative appeal procedure and to oblige the authorities to add a brief overview of the relevant court practice in the text of each decision made as a result of the administrative appeal procedure and/or to make the decision in line with the court practice or to provide relevant reasoning for deviations from it. The criterion for changing law application practice may be a significant change in the results of court proceedings (up to the rate of decision-making to satisfy the claim of business entities to the state body no more than 40% in the respective categories of cases) or a significant reduction in the total number of lawsuits (mutatis mutandis/in other conditions being equal).</p> <p>State Tax Service of Ukraine State Customs Service</p>	<p>Not started - new recommendation</p> <p>Not started - new recommendation</p>
