Systemic report “Big challenges for small business”	To continue maintaining an active dialogue and holding specialized forums for SMEs. At the same time, it is advisable for these entities to analyze the current state and expand preparation of step-by-step instructions with detailed information on key business processes required to start or liquidate certain types of business and to uniquely present/post information on their websites. Additionally, such information should be accompanied by interactive self-testing tools for SMEs so that they can independently check their compliance level.
