

Report name	Issued recommendations	Execution status
Systemic report “Big challenges for small business”	To approve an updated realistic action plan for the support and development of SME, taking into account the BOC’s recommendations according to this report. The SME Action Plan should cover activities for all groups of entities (micro-, small and medium-sized businesses) and be backed by appropriate financial resources Ministry for Development of Economy, Trade and Agriculture of Ukraine Other CEBS	In process
	The development of the updated action plan to the SME Strategy should be based on the participatory principle, in particular, all key stakeholders both from the state and the business community representing all groups of entrepreneurs should be involved in this process. The overall focus of this document should be on creating conditions for transforming small businesses into medium-sized enterprises, as well as for more rapidly growing small businesses, enterprises with export potential or enterprises with a significant innovation component. Ministry for Development of Economy, Trade and Agriculture of Ukraine Other CEBS	In process
	To take appropriate steps to simplify the labour-related document flow and transform it into electronic format. Cabinet of Ministers of Ukraine Other CEBS	In process
	As regards the supervision (control) of employers’ compliance with the labor legislation — to take steps aimed at careful harmonization of the procedure, grounds, methods and forms of inspections, powers of the corresponding authorities, particularly with the ILO Conventions and requirements of the Law No. 877. Cabinet of Ministers of Ukraine Other CEBS	In process
	To properly and timely complete implementation of activities envisaged by the SME Strategy in terms of training, education aimed at developing competencies/skills and awareness-raising of SMEs in the field of business integrity. Ministry for Development of Economy, Trade and Agriculture of Ukraine The SME Development Office Other CEBS	In process
	To continue maintaining an active dialogue and holding specialized forums for SMEs. At the same time, it is advisable for these entities to analyze the current state and expand preparation of step-by-step instructions with detailed information on key business processes required to start or liquidate certain types of business and to uniquely present/post information on their websites. Additionally, such information should be accompanied by interactive self-testing tools for SMEs so that they can independently check their compliance level.
